

# GEX Corporation Pricelist

Effective January 2, 2014

GEX Corporation  
7330 S. Alton Way  
Suite 12-i  
Centennial CO 80112  
USA

E-Mail: sales@gexcorp.com

**Note:** Products shipped outside the U.S.A. are subject to added local taxes, duty and fee charges for the applicable final destination country. Contact GEX for details

Tel: 303-400-9640  
FAX: 303-400-9831

Part #	Description	Item Price
<b>B3 WINdose DOSIMETERS (1.0 kGy - 150 kGy)</b>		
B3000	Individually Numbered B3 Film Dosimeters - 20 per foil storage package, 50 pkgs/box	\$375
B3001	Bar-coded, Numbered B3 Film Dosimeters - 1 replicate per package - 500 pkgs / box	\$550
B3002	Bar-coded, Numbered B3 Film Dosimeters - 2 replicates per package, 500 pkgs / box	\$795
B3106	10 inch Uniformity Measurement Strip Array - 3 strips per package - 6 pkgs / box	\$215
B3110	10MeV Energy Card - WINdose Dosimeter Array for RISØ Wedge - 1/package - 6 pkgs / box	\$185
B3112	5MeV Energy Card - WINdose Dosimeter Array for RISØ Wedge - 1/package - 6 pkgs / box	\$155
B3200	B3 Film Dosimeter Stacks - 100 keV to 300 keV - 1/package - 6 pkgs / box	\$170
B3202	B3 Film Dosimeter Stacks - 50 keV to 100 keV - 1/package - 6 pkgs / box	\$130
<b>B3 DoseStix DOSIMETERS (1.0 kGy - 150 kGy)</b>		
B3001DS	Bar-coded DoseStix style B3 Film Dosimeters - 1 replicate per package, 300 pkgs. per box	\$330
B3002DS	Bar-coded DoseStix style B3 Film Dosimeters - 2 replicates per package, 200 pkgs. per box	\$330
	<i>**Low Dose (2.0 Gy - 5,000 Gy) GAFCHROMIC® Film DoseStix Available by Special Order</i>	
<b>B3 Film - Rolls and Sheets - (5.0 kGy - 80 kGy using RisøScan)</b>		
B3100	Roll of B3 film - 18cm wide by 30m length	\$7,350
B3102	Roll of B3 film - 26.5mm wide by 30m length	\$855
B3103	B3 Film Sheets - 18cm by 28cm - 3 Sheets per box	\$235
	<i>*Custom roll lengths are available in the above widths. *Custom sheet sizes available - one dimension cannot exceed 18cm. Special order; inquire by contacting GEX.  **Low Dose (2.0 Gy - 5,000 Gy) GAFCHROMIC® Film Available by Special Order</i>	
<b>FujiFilm CTA DOSIMETER Film (5 kGy - 300 kGy)</b>		
BFTR-125	Roll of CTA Dosimeter Film on Plastic Reel - 8mm by 100m	\$860
	<i>Not available for distribution to all countries. Please inquire.</i>	
<b>CALORIMETERS (1.5 kGy - 50 kGy)</b>		
B6001	Risø Calorimeter: Polystyrene 5 MeV (3.0 - 40 kGy)	\$790
B6002	Risø Calorimeter: Polystyrene 10MeV (3.0 - 40 kGy)	\$790
B6004	Risø Calorimeter: Graphite 10 MeV (1.5 - 15 kGy)	\$790
<b>IRREVERSIBLE RADIATION and TEMPERATURE INDICATORS</b>		
P8003	Irreversible Temperature Indicators - 27.5°C - 65.0°C in 2.5°C intervals. 10 sets per pkg.	\$43
P8101	Radiation Indicator Dots - 13mm circles 1,000 per roll - dispenser box	\$26.50
P8102	Radiation Indicator Dots - 13mm circles, 5,000 per roll - cardboard core	\$120
P8103	Radiation Indicator Label Paper. 48mm by 50 meters. Roll on a cardboard core ( <i>Special Order</i> )	\$205
<b>DOSIMETER BATCH CALIBRATION PRODUCTS and SERVICES</b>		
P1010	Large Capacity Risø Gamma Calibration Phantom Holder	\$395
P1020	10 MeV Electron Beam Risø Calibration Phantom Holder	\$395
P1030	5 MeV Electron Beam Risø Calibration Phantom Holder	\$395
S1000	Alanine Pellet Transfer Dosimeters for In-situ Calibration - each	\$295

Tel: 303-400-9640  
FAX: 303-400-9831

Part #	Description	Item Price
S1000L	Alanine Film Transfer Dosimeters for In-situ Calibration (low energy) - each	\$295
S1001	Calibration Laboratory Gamma Dose Point - each	\$295
S1002	10 MeV Electron Beam Calibration Dose Point - each	\$420
S1101	Dosimeter Batch Calibration Service Package (includes Calibration Report and Software Update)	\$990
S1102	Dosimeter Batch Calibration Audit Service Package	\$340
S1103	D <sub>p</sub> method calculation service charge for applicable S1000L calibrations	\$750
WINdose DOSIMETRY SYSTEM & ACCESSORIES		
P4120	Genesys 20 Spectrophotometer (specify US, UK or EU power plug)	\$2,500
P4121	Genesys 20 Cuvette Cup - Replacement with 10mm Cuvette Holder	\$75
P4130	RS232 Interlink Cable with USB adapter (for connecting spectrophotometer and PC)	\$32
P4140	Tungsten-Halogen Lamp - Replacement for Genesys 20 spectrophotometer	\$22
P4201	Barcode Reader - CCD Barcode Reader Attachment with Stand	\$225
P4220	Spectrophotometer Calibration Standard Set with NIST traceability certificate	\$1,180
P4502	WINdose Dosimeter Holder - Hinged, Black Delrin.	\$395
P4506	DoseStix Dosimeter Holder - includes P4121 Genesys 20 Cuvette Cup	\$325
P4800	B3 Dosimeter Film Heat Treatment Incubator System with Timer and Calibration Certificate	\$1,155
P4900	B3 DoseStix/WINDose Dosimeter Micro-Incubator Heat Treatment System with Timer and Certificate	\$3,520
P4901	Digital Thermometer for use with #P4900	\$430
P4902	B3 Dosimeter Package Thermocouple Probe	\$50
P8005	PENVAC Suction Dosimeter Handling Tool (with 2 sets of anti-static suction cups)	\$75
P8006	Dosimeter Handling Forceps - Fine Point, curved, 4.5 inches	\$45
S4320	Re-Calibration Certification of the P4220 Standards Set	\$625
S5100-2002	WINdose for Excel 2002 Interlink Software Program	\$750
S6100	GEX Product Procedure Template Notebook - includes CD ROM with MS Word version	\$250
RISØSCAN DOSIMETRY SYSTEM		
S5200	RisøScan Dosimetry Software Program (includes a B3 Film Reference Calibration Set)	\$3,900
OTHER PRODUCTS AND SERVICES		
P4701	Risø 2 Piece Aluminum Energy Measurement Wedge (2-20 MeV)	\$1,045

**Terms: Prepaid, Credit Card (VISA, Mastercard, AMEX, Discover) or Net 30 Days WAC**  
**Prices subject to change without prior notice. Contact GEX directly to verify pricing and availability.**  
**Contact GEX to obtain information on volume discounts offered on our dosimeter and indicator products.**  
**Visit our Website for product information, technical and education materials, and more.**
